

Propane Service Technician

VAN UNEN MIERSMA PROPANE –RIPON, CA

Van Unen Miersma Propane, central California's leading propane connection from Sacramento to the Bakersfield is looking to fill the need in our growing Ripon, Ca store for a Full Time Propane Service Technician.

We are seeking a high energy, highly motivated, self-driven and disciplined Propane Service Technician who has experience in propane delivery, service, and tank installation (preferred but not required). The preferred candidate must possess exceptional customer service skills, excellent interpersonal skills and have a great mechanical aptitude.

Primary role of the Propane Service Technician will include propane tank installation and service, propane system installation and service and some appliance service. The Propane Service Technician must know or learn, how to comply with all Federal, State, and Local codes as well as all company and industry standard safety policy and practices. The Propane Service Technician I will report directly to the Service Manager.

Primary Responsibilities:

- Propane service and tank installation
- Ability to identify and correct any leaks from the tank to equipment connection
- Respond to customer emergencies as needed
- Rotate "on call" status during evenings and weekends as needed
- Perform tank maintenance on spare tanks to prepare them for service
- Complete tank inspections and repairs at customer locations
- Demonstrate flexibility with on-call schedule rotation during evenings and weekends as needed.
- Assist with deliveries/drive bobtail during peak season or as needed
- Consistently communicate proactively with the Service Manager, CSC Manager, Dispatcher, Sales reps, Drivers and customers as necessary.

What we need/Requirements:

- High School Diploma/General Equivalency Diploma
- 1-3 years job-related experience (preferred)
- Positive attitude, safe mindset and great communications/customer skills
- CDL-Class B (Hazmat/Tanker) endorsements (must attain within 90 days of hire)
- HVAC, Electrical, CTEP training (preferred, not required)
- Drug free, clean DMV record

What we offer/Benefits:

- Hourly Position – Highly competitive compensation depending on your experience with annual increase based on performance
- Employee incentive and bonus programs
- 401K program (currently 4%)
- Medical and other employee benefits
- Exceptional work environment
- Opportunity for long term employment and advancement

About Us:

Van Unen Miersma Propane has been in business for over 20 years and is central California's leading propane provider. We currently operate out of 3 growing locations Ripon, Merced and Goshen. Our business model includes continued growth organically as well as through acquisitions.

We're always looking to add individuals to our team who want to make a difference in the lives of our customers. We invite you to join our team and become a part of our vision to provide the safest most customer focused propane service experience possible. We are continually working to be a World Class company to both those who work for us and those who do business with us.

If you are looking to make a positive difference in your career and your life, while receiving a competitive salary and benefits package, then look no further.
